Guided walks are always recommended for groups. They are at a relaxed pace mainly on flat ground and last for approximately 1 hour. The walks are very informative and are generally taken by James or David Binnian who are the owners and founders of the Arboretum. Groups who have been on the walks frequently comment how their visit has been made more enjoyable with a greater understanding of Bodenheim.

The cost of the guided walk is £30.00

We ask that a group select one menu only. Special requests or dietary needs can always be accommodated. All of our dishes are freshly prepared on the premises but may be subject to availability.

We do not have a licence, but visitors are welcome to bring their own alcoholic beverages.

The tables are laid with wine glasses and jugs of water. We cannot accept private group bookings for Thursday evenings during May, June, July, August and September as we have late night opening to the public.
